Investment Strategy

This Fund is suitable for experienced investors who aim to increase the value of their capital through investments into bond instruments of emerging markets of Central, Eastern and Southeast Europe and in the Commonwealth of Independent States, and who are also aware of the potential return of their investments and risks associated with such kind of investments. This Fund is designed for investors who can afford to invest their resources for at least 5 years and who are willing to accept the risk and volatility connected with investments into bond instruments of emerging markets. The portfolio is represented primarily by Hungary, Poland, Romania, Russia, Slovenia and Turkey.
